I'm pleased to announce that Major Troy Skebo was recently re-appointed as Safe Harbor Child Advocacy Center's President. Major Skebo will oversee their Board of Directors composed of a strong team of committed and experienced leadership. Formed in 2008, Safe Harbor Child Advocacy Center is a non-profit 501(c)(3) serving the localities of Fredericksburg, Stafford, Spotsylvania, King George, Caroline, and a portion of Orange County. The center serves as a safe, centralized location for the coordinated community response to child victims of alleged abuse and neglect and their non-offending caregivers. The center also provides multidisciplinary team coordination, child forensic services, and mental health services to nearly 400 children each year.

Major Skebo has been a board member with Safe Harbor Child Advocacy Center since 2016 and has served as President for the past 2 ½ years. He previously served as Vice President and Treasurer. Major Skebo is a twenty-six-year veteran of the Spotsylvania Sheriff's Office and 2007 graduate of Virginia Forensic Science Academy in Richmond, Virginia. Major Skebo stated "The greater Fredericksburg area is extremely fortunate to have dedicated partnerships with so many professionals who make our mission a success. Safe Harbor's staff and board members are committed to giving a lifeline to victims of alleged child abuse."
