ABOUT SPOTSYLVANIA COUNTY

Spotsylvania County is located in Northern Virginia, midway between the Nation's capital of Washington D.C. and the State's capital of Richmond. The County covers over 400 square miles and has a 2020 population of 140,032 according to the U.S. Census Bureau April 01, 2020 census. In prior years, the County's growth rate resulted in the County being included in the rankings of the hundred fastest growing counties in the Nation. The County's growth can be attributed to several factors. The County is located along the I-95 interstate corridor with close proximity to businesses, industries, military installations, as well as federal and state governmental offices. Affordable housing, relative to the surrounding areas, has led many individuals and families to migrate to Spotsylvania County. Over half of the County's employed residents commute to work in the Northern Virginia, Washington D.C., or Richmond area. Within its boundaries, the County possesses the scenic beauty of Lake Anna, rural landscape, suburban amenities, and a wealth of historical attractions from the Colonial and Civil War eras. These resources also make the County a favorite tourist destination.

MISSION STATEMENT

The Mission of the Spotsylvania Sheriff's Office is to provide efficient, quality law enforcement service to all citizens of Spotsylvania County.

This will be achieved through a meaningful and a sustained public partnership which will promote and ensure a safe environment with a focus on mutual trust, integrity, fairness, and professionalism.

MESSAGE FROM SHERIFF HARRIS

SPOTSYLVANIA COUNTY, VA

As your Sheriff since 2012, it has been my pleasure to see Spotsylvania County continue to thrive and grow as one of the safest places to reside in our Commonwealth. We have brought community policing to the forefront with educational efforts, events, and crime preventative measures. The Apartment, Business, Worship, and Neighborhood Watch programs continue to flourish and expand. National Night Out increases in size each year. Blue Christmas is on its ninth year and now serves over 1,000 less fortunate children with toys and clothing, as well as many senior citizens.

Numerous financial saving efforts have been put into place. Grants are sought, with many received, on a continuous basis to be able to meet the County's request to reduce our expenses. Our Volunteers in Police Service (VIPS) program has been a tremendous cost saver. Volunteers from all aspects of the community are contributing time, talents, and more. These selfless workers participate at our many community events, on our Search and Rescue Team, our Animal Shelter, and in the office.

It is my goal to continue serving this fine county and bring the best of law enforcement to the community.

To carry out this mission, the division is broken down into three platoons.

PATROL PLATOONS- The Patrol Division is divided into three platoons. Two operate on a permanent schedule of three, 12 hour shifts; days, evenings, and midnights. The tow board is the regulatory authority for all Sheriff's Office and Virginia State Police (VSP) requested tows. The tow board oversees citizen complaints with regards to Sheriff's Office or VSP tows. The Sheriff's Office conducts quarterly inspections of all 19 towers and their equipment to ensure they are within required specifications of Spotsylvania County Tow Ordinance.

SCHOOL RESOURCE UNIT- There are currently 33 School Resource Officers (SRO) which includes 15 DARE certified deputies. The purpose of the Bike Team is to take deputies out of their patrol vehicles and make them more accessible to the public they serve. Once in operation, participating deputies soon learned that patrolling the County in this manner is effective in locating and detecting crime.
- ◆ ***Special Weapons and Tactics (SWAT)-*** The primary responsibility of this team is to increase the likelihood of safely resolving critical incidents. The duties of this team also include hostage rescue, barricades, high-risk apprehension, dignitary protection, terrorism response, and special assignments. All team members have regular duty assignments and are on-call at all times. The handlers and canines undergo a strenuous program during which the teams are instructed in basic obedience, agility, handler protection, narcotics detection, tracking, building searches, veterinary first aid, and legal issues. The success of this unit can be attributed to the support provided by our citizens, schools, businesses, and local organizations.
- ◆ ***Crisis Negotiations Team (CNT)-*** Team members undergo specialized training based on problem resolution and psychological tactics. This training is focused on convincing the subject(s) involved to resolve the situation peacefully. Training is enhanced by joint training with SWAT. ACCREDITATION

SPOTSYLVANIA COUNTY SHERIFF'S OFFICE

“Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives.”

—Will A. Foster

The Spotsylvania County Sheriff's Office has been accredited by the Virginia Law Enforcement Professional Standards Commission (VLEPSC) since 2006. VLEPSC was established to provide law enforcement agencies in the Commonwealth with an avenue for demonstrating that they meet commonly accepted standards for effective and efficient agency operation.

VLEPSC has four sections of standards: administration, operations, personnel, and training. The entire Sheriff's Office must meet elements of each of these standards and provide proof of adherence to them on an annual basis. However, the primary responsibility for accreditation falls upon the Administrative Services Division to ensure that the process and its deadlines are met. Re-accreditation, or inspection, of a law enforcement agency participating in the VLEPSC program occurs every four (4) years. Each re-accreditation team consists of three (3) VLEPSC members which are not routinely associated with the Spotsylvania County Sheriff's Office. These members are VLEPSC certified assessors and master assessors, with one of the participating members acting as a team leader. This team leader then directly reports to the VLEPSC Program Accreditation Manager on the status of the participating agency and generates a report to be presented to the Executive Board (consisting of active Sheriffs and Chiefs of Police) prior to receiving a re-accredited certification. The Spotsylvania County Sheriff's Office underwent an intense inspection from November 15, 2022 - November 17, 2022 and was presented with our re-accreditation on December 01, 2022 by the Executive Board. Upon receipt of the accreditation award, a new accreditation term begins and remains in effect until the next re-accreditation inspection is conducted. Currently, the Spotsylvania County Sheriff's Office is in our fifth term of accreditation and is scheduled to undergo a re-accreditation inspection in November 2026.

COMMENDATION AND COMPLAINTS

SPOTSYLVANIA COUNTY SHERIFF'S OFFICE

Our office strives to serve the citizens of Spotsylvania County, the tourists, the workers, and the businesses with excellence. Many of our tasks are daily and routine, however, once in a while a deputy or other Sheriff's Office employee goes above and beyond the call of duty or their work is exceptional enough that someone wishes to express their appreciation. Occasionally, however, we realize that someone will be displeased with an incident or its outcomes. We want to know about those times as well so we can address the actions taken and ensure they were both professional and fair.

Commendations or complaints can be submitted via our website, mailed to us, reported via a call, or submitted at our lobby. Contact information for our office can be found on the last page of this Annual Report.
