The Sheriff's Office is currently investigating an incident at Lee Hill Elementary School, where it was reported that a student in a 3rd grade class had a handgun discharge while in their backpack at approximately 10:50AM. Early interviews indicate there was no intent to do harm by the student. Once the gun discharged, the teacher evacuated all 26 students from the classroom and notified the School Resource Officer who was on site.

Detectives are conducting interviews with the student and the student's parents. No student or staff were injured during the incident. At this point, detectives are in the early stages of the preliminary investigation. We will make you aware of all pertinent facts concerning the incident as we progress.
