**January 28, 2025**

On January 27th at approximately 10:30PM, deputies with the Spotsylvania County Sheriff's Office responded to a report of gunshots in the area of 5300 Whispering Woods Lane. Upon their arrival, they found a vehicle disabled on the sidewalk with multiple subjects standing around the car. After questioning the subjects, it was revealed that an 18-year-old female was in the back seat with a gunshot wound to her torso. Deputies immediately began rendering medical aid to the victim. She was subsequently transported by ambulance to a local hospital. She is currently listed in stable condition. During the investigation, it was determined the victim was shot inside an apartment within the complex and that neither the victim nor the subjects claimed to have known who the suspect was. This investigation is ongoing and detectives are hopeful that witnesses will come forward.
