Sheriff Roger L. Harris announced the arrest of Anthony Wayne Armstrong II of Spotsylvania. Armstrong was charged with indecent exposure, actual/simulated masturbation in public, creating an unlawful image of another and possession of marijuana. Armstrong is being held at the Rappahannock Regional Jail without bond.

On 04/25/2018 at approximately 6:30 PM, Dispatch received a call from the 9700 block of Jefferson Davis Hwy for a report of an indecent exposure. The caller stated that a male subject had just used his cell phone to take an "upskirt" photo of a female who was shopping in a clothing store. The male then quickly exited the store. The caller located the subject sitting in his car masturbating a short time later.

Deputies arrived moments later and were informed that the subject had already left the scene. They were able to get a license plate number for the vehicle he was seen driving, which was used to track the suspect. Deputies responded to Armstrong's address where he taken into custody without incident. Deputies also seized a small amount of marijuana from Armstrong during the arrest.

Deputies were able to review the store surveillance video to confirm that Armstrong was indeed the perpetrator. It was also learned that Armstrong was a suspect from a similar incident on 03/15/2019, where a citizen walked by his car in the parking lot of the same shopping center and he was sitting in the car masturbating.

Sheriff Harris stated that he would like to thank the citizens for recognizing that a wrongful act was occurring and taking the initiative to notify Law Enforcement. "It is acts like this that make our community a safer place to live." We continually encourage citizens to, "See Something Say Something".
