Sheriff Roger Harris is pleased to announce the inaugural High School Externship program in cooperation with the Spotsylvania Career and Tech Center that began Monday. Students are learning about every law enforcement division, beginning in the Emergency Communications where almost every call for service begins. This week students met members of different specialty teams and units within the Sheriff's Office to include the SWAT Team, Crisis Negotiations Team, Dive Team, K9 Team, Drone Team, Marine Patrol Unit, Forensic Unit, Motor Unit, Patrol Division, Criminal Investigations Division, and the Animal Control Division. The students also learned about officer wellness initiatives that our employees have. Our public safety partners with Fire, Rescue, and Emergency Management had the opportunity to talk to the students about the Fire Marshalls responsibilities and how Emergency Management plays a vital role in public safety. The week ended with representation from the National Guard Bureau who discussed career direction and public service platforms.
